2007**

XRAY is pleased to present the improved and refined M18T PRO - based on the legendary M18T platform, but redesigned with high-performance racing in mind. The M18T PRO's progressive design embodies an enhanced driving experience from the purpose-built performance graphite chassis... to the unique Hudy Spring Steel™ drive shafts ... to the smooth externally-adjustable ball diffs.

The M18T PRO was borne of racing DNA to challenge your racing skills on any track.

High performance. Micro size. Undeniably XRAY.

New PRO Specs:

- **More stable**
- **High-competition design**
- **Full graphite layout**
- **16mm longer wheelbase**
- **Improved handling**
- **Improved jumping capability**
- **Easier to drive**

**DRIVE IT
JUMP IT**
